Less-Than-Truckload (LTL) Fuel Surcharge

UPS Supply Chain Solutions fuel surcharges are indexed to the *On-Highway Diesel Fuel Prices*, as reported by the U.S. Department of Energy and published on its website each Monday*. Fuel surcharge rates are updated weekly and are applied to shipments originating Tuesday through the following Monday. The LTL fuel surcharge for the week of November 17 – November 23 is 21.00%, based on the published diesel fuel price of \$2.790 per gallon on November 16, 2009

The following table illustrates the surcharge:

Note: Fuel surcharge percentages and thresholds are subject to change without prior notice. This table does not represent the complete fuel index. In the event *On-Highway Diesel Fuel Prices* approach the highest or lowest amounts currently shown, UPS will update the table to reflect additional price ranges and corresponding fuel surcharge rates.

*In the event the U.S. Department of Energy does not update its *On-Highway Diesel Fuel Prices* on a given Monday, the UPS Supply Chain Solutions fuel surcharge will be updated on the day the U.S. Department of Energy updates its website.
